

HARVEST VIEW

CHARDONNAY 2018 BUNKER HILLSIDE VINEYARD SONOMA COUNTY

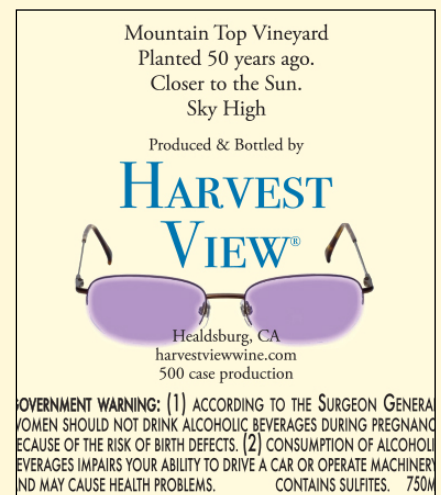

Harvest View wines represent the art of wine blending. We combine wines from different areas, different varietals, combining skills & techniques from different winemakers. We strive for gentle blends, light touch to polish each wine. In this creative way, Harvest View creates unique gems.

This Chardonnay is the collaborative result of 2 winemakers, 1 vineyard & 1 wine lovers idea. The tropical flavors found in this bottle come from special vineyard atop Sonoma Mountain. Planted 50 years ago, Bunker Hillside is a high elevation vineyard in a classic 'saddle' cresting the mountain. Eric Bunker planted these vines and tends them today. A gorgeous location, the vineyard helped some famous wineries become known worldwide. Eric Bunker takes great care of this vineyard and it shows in the final wine.

Today, Harvest View was able to produce this exclusively for our wine club. Alexa Mietz made this wine is a fruity crisp style. Working with Nicole Salengo and Bryan Cooper, we all contributed some ideas on how to finish the wine, creating a light barreling program. The resulting wine is fruity, tropical, complex, a touch serious even. We hope to have done this vineyard proud.

Production: 200 cases
Release: Fall 2020
Retail Price: \$45
Cooperage: 2 year old French Oak.
Winemaking Team: Nicole Salengo,
Alexa Mietz, Bryan Cooper

SMALL PRODUCTION, HAND CRAFTED WINES
